Faithful Teachers

One of the biggest questions parents face when sending their students to school is who will be my child's teacher? This is an especially important question for Christian parents as they consider the education options for their students. What the teachers believe and with what worldview they teach will influence the student's beliefs for good or evil. At Veritas, our teachers are faithful to teach a

Christian worldview while living their lives seeking to model their Lord and Teacher. But why is this important? Perhaps the Apostle Paul said it best when writing to Timothy, "But as for you, continue in what you have learned and have become convinced of, because you know those from whom you learned it, and how from infancy you have known the Holy Scriptures, which are able to make you wise for salvation through faith in Christ Jesus." II Timothy 3:14-15

It is the vision of Veritas Classical Academy to train the minds of young men and women in truth and righteousness, and disciple their hearts into genuine, indomitable faith by integrating all subjects taught as a whole in light of the truth of Scripture that they might glorify God, edify the church, and testify of Jesus Christ.
