Please note that Veritas Classical Academy desires to provide the best education possible for students who are admitted. Due to staffing, funding, and facility limitations, some children are not admitted because the school cannot adequately provide for their learning needs. The nature of the school curriculum necessitates that children who have been diagnosed with learning differences must be able to meet the same academic standards as all other children in their grade level.

Additionally, our school is not equipped to work with children who have significant emotional or behavioral issues. If a child is unable to control his or her behavior or causes a significant threat or danger to others, the child will be dismissed from the program.
