A Happy Fall at Veritas Classical Academy

We wish you blessings from Veritas Classical Academy as we near the Christmas season. What a wonderful season it has been at Veritas. Our students had opportunities to experience many new activities as a school

including a visit from local music artist and children's book author Ericka Corban. During Mrs. Greer's Music class, Mrs. Corban read her books to the students and led the students in singing. A wonderful time was had by all and we are grateful for Mrs. Corban sharing her gifts with our students.

A Time Of Harvest

Another first was Veritas' first field trip. Our students visited Chapman Farms. There they went through a corn maze and a hay bale maze. And took a hay ride to the pumpkin field where pumpkins were still attached to the vine.

They got to see and experience a time of harvest. They saw a bountiful crop that didn't just happen but was the result of soil being worked and seeds being planted.

Just as the students got to witness a bountiful harvest, we pray that our God will bring forth a bountiful harvest in the lives of our students. It is our prayer that God through the Veritas staff will sow His Word into our students. And that they will be cultivated as good soil so that they may bring forth a bountiful harvest to the glory of our God.

From Luke 8, "A sower went out to sow his seed... The seed is the word of God... As for that in the good soil, they are those who, hearing the word, hold it fast in an honest and good heart, and bear fruit with patience."
