First Day of School

Geronimo, Amen!

To the glory of God, Veritas Classical Academy began classes on 9/8/2021. We started with 14 students spanning grades K-5. We have two full time Christian educators. Mrs. Greer teaches K-2nd grade as well as music and Mr. Hamblen teaches 3rd- 5th grade along with PE. The students of our enrolled families attend 8 of our local Grays Harbor churches. We are grateful to God for His sovereign provision of leaders to start the school, Christian educators to teach at the school, Christian families enrolling their students, volunteers to prepare the facility and for our generous donors who have been of tremendous help. Praise the Lord! May God continue to bless as we continue our mission.

“...That they might glorify God, edify the church, and testify of Jesus-Christ.”

“Education is not a subject, and it does not deal in subjects, It is instead the transfer of a way of life.”

-G.K. Chesterton

About God

A Christian Education

Our students learn about God while they are at school. Each school day they start with prayer and discussion of the catechism they are learning during the week.

Each Friday the students have a formal chapel time when a local pastor or Christian educator visits Veritas to teach from the Bible about the Catechism statement the students will be learning the following week.

Each day our educators teach students the various subjects through the lens of God's truth because it's all about God.
